

Programmes

The Uttar Pradesh State Open School Board (UPSOSB) offers flexible and inclusive educational programmes for learners who are unable to pursue formal schooling due to various personal, social, or economic challenges. These programmes aim to provide accessible and recognized academic and vocational education across the state.

Uttar Pradesh State Open School Board (UPSOSB) – (Class 10)

Designed for learners seeking certification at the Class 10 level. Learning materials are available in print, audio, video, and digital formats. Examination and certification are conducted by the Uttar Pradesh Madhyamik Shiksha Parishad (UPMSP) in the first year. Suitable for school dropouts, working youth, and learners seeking second-chance education.

Admission Requirement:

To seek admission in Class 10, the learner must submit a self-declaration certificate confirming that they are able to read and write. Learners who have a Transfer Certificate (TC) or a marksheet from any previous class may submit it as supporting documentation.

Documents Required for Online Registration:

- Aadhaar Card
- Self-declaration Certificate OR
- Marksheet / Transfer Certificate of the last class attended

Senior Secondary (Patrachar) Programme (Class 11 & 12)

Class 11: Two-year course for students aiming to complete Class 12.

Class 12: One-year course for those who have completed Class 11 or an equivalent programme.

The programme structure is flexible, allowing learners to study at their own pace. Certification is awarded upon successful completion of the examination.

Admission Requirement:

To seek admission in Class 11, the learner must have passed Class 10.

Documents Required for Online Registration:

- Class 10 Marksheet / Certificate
- Transfer Certificate (TC)

- Aadhaar Card

Vocational Education Programme

Offers skill-based and employment-oriented training programmes. Courses are available in sectors such as Information Technology (IT), healthcare, agriculture, and various trades. Certificates and diplomas are awarded after successful evaluation. The programme aims to enhance livelihood opportunities and promote job readiness.

Special Needs Education Programme

Inclusive educational support for learners with disabilities or special learning needs. Customized resources and academic assistance are provided. Focuses on promoting equity and accessible education without barriers.

Key Highlights
